

Fact Sheet

About Rebuilding Together

“My husband was in a tragic roll-over car accident on our son’s 5th birthday. He has continued to make remarkable progress from his brain injury and we are so thankful for the awesome volunteers who built the ramp we needed to bring him home.”

Michelle

Rebuilding Together has been preserving and revitalizing homes and communities in the Minnesota since 1997. We are a community revitalization partner that is part of a national network of local affiliates who together transform the lives of low-income homeowners by providing critical renovations and modifications.

Leveraging local and national partnerships, the staff and volunteers of Rebuilding Together are dedicated to serving the homeowners, families and community members around the areas served. We provide meaningful, measurable and sustainable impact to homeowners, communities, nonprofits, parks and gardens where neighborhood members gather.

At Rebuilding Together, we believe that everybody deserves to live in a safe and healthy home.

Programs & Services

We work year round to preserve affordable homeownership, build healthy neighborhoods and ensure that homeowners in need can live independently in safe and healthy homes.

SAFE AT HOME

We provide safety and fall prevention modifications and ramps for older adults or those living with a disability so that they can continue to live in safety and independence in their own homes.

HOME REPAIR

We provide volunteer-delivered repairs including but not limited to: weatherizing, installing flooring, patching and painting, siding, and landscaping, and timely contractor-delivered repair or replacement of essential systems, such as HVAC, electrical, plumbing, outer envelope and roofs that are critical to healthy, livable homes.

COMMUNITY REVITALIZATION

We stabilize and revitalize neighborhoods by providing safe and welcoming places for communities to gather, such as community centers, schools, supportive housing facilities and outdoor community spaces.

OUR IMPACT

In the 24 years since our founding, we have renovated and revitalized 1,181 homes and made improvements to 76 nonprofit facilities and community spaces with the help of 11,436 volunteers.

OPPORTUNITY

Affordable housing is a critical part of development for any community. As the economy grows there is an impact on low-income homeowners' ability to maintain their homes. To help address this situation Rebuilding Together has been asked to explore interest in expanding our services in your area to assist families in need with repairs and accessibility modifications. With your support, we can work together to find key opportunities to provide a more stable foundation for homeowners.
