SECTION 5 AGREEMENT

Rebuilding Together Minnesota is a one-day, volunteer repair program for limited income homeowners and non-profit facilities that are unable to complete the work themselves.

- * All work is done by volunteers who work for one 8-hour day and will be skilled, semi-skilled & unskilled. They may not be able to complete all the repairs needed in the facility.
- * None of the work is warranted or guaranteed

To be considered for the Rebuilding Together Minnesota program, non-profits must complete this application, participate in a phone interview, have staff present at the time of the site inspection and have staff present on the day of the event. Non-profits are required to contribute to the cost of the supplies needed to repair the site requested.

SECTION 6 VERIFICATION REQUIREMENTS

Rebuilding Together Minnesota is designed to serve low-income homeowners with special focus on the needs of the older adults, individuals living with disabilities and families with children. Rebuilding Together Minnesota programs require that all homeowners provide verification of ownership and income of all household members. We also require similar documentation from non-profits seeking the services of this program.

Please attach to this form a copy of the facilities' current budget; most recent Form 990; provide verification of the organizations ownership of the building or permission from the owner; and insurance for the property.

We request that all non-profits make a contribution to cover the cost of the supplies need to repair the site. If your organization is unable to contribute these funds, please state the reason below.

I certify that the above information is correct. I have provided verification of ownership or permission from the owner, proof of insurance, the budget and the Form 990 for the facility requesting the repair work.
