

2026 PARTNER OPPORTUNITIES

Join Rebuilding Together Minnesota in repairing homes, revitalizing communities, and rebuilding lives.

ABOUT US

Rebuilding Together Minnesota works year-round to preserve affordable homeownership, build healthy neighborhoods, and ensure that homeowners in need can live independently in safe and healthy homes. Support from community partners makes this work possible and deepens the impact we can achieve together for our neighbors and the communities where we live and work.

Roll Up Your Sleeves

Engage your team in a meaningful day of direct service. Volunteer teams work alongside our Program Team on an indoor or outdoor project such as landscaping, painting, or flooring. We make the process easy, fun, and meaningful.

Fund A Project

Sponsor a home repair project. Financial support covers materials, skilled labor, and administrative coordination—ensuring a family can remain in their home safely. We help identify projects within funding levels and geographic interests.

Supply the Materials

Donate or underwrite materials needed to complete a project. New, donated materials like shingles, lumber, paint, and other supplies make a difference. We coordinate donations with current projects so materials can be used right away.

Highlight your commitment to community with Rebuilding Together Minnesota. Sponsorship and volunteer opportunities with us creates a meaningful way for your company and employees to directly impact neighbors and make a real difference in the community.

BENEFITS

Partnerships are highlighted through press releases, social posts, and Rebuilding Together Minnesota's media contacts. Additional promotion includes featuring partner logos on our website, at or near event sites, and in printed materials.
